

Michigan Planning Mentoring Program (MP²)

Mentor Application

Thank you for your interest in serving as a mentor in MP². Your willingness to share your experience and support the next generation of planners and leaders in our field is essential to maintaining healthy communities across the state and making Michigan a premier destination for aspiring planners. To assist the MP² committee in selecting the best mentor-mentee pairings, please complete this brief application. You may send the completed application, along with a copy of your **resume**, to info@planningmi.org.

Michigan Planning Mentoring Program (MP²)

Program Feasibility & Commitment

The following MAP events offer opportunities for connecting in person with your mentor. Please indicate whether you are willing to participate, if available:

Note: Inability to commit to every single event will not disqualify you as a mentor but does provide valuable information to the committee as assignments are considered.

Planning Michigan Conference (September 25-27, 2019 Kalamazoo) Yes No

EPP Career Building Reception (early November, 2019) Yes No

Student MAP Conference 2020 (early February, 2020, Detroit) Yes No

Transportation Bonanza 2020 (mid-February, 2020, Lansing) Yes No

MAP Spring Institute 2020 (May 14, 2020, Lansing) Yes No

How far would you be willing to travel to meet a mentee in person?

Note: In-person meetings are not required but are highly encouraged. Every effort will be made to match mentors and mentees within close geographic proximity.

Please provide a URL to your online professional profile (MyAPA, LinkedIn, etc.) or attach a resume.

Additional Information

Optional: Please provide any additional thoughts or comments you'd like to committee to consider during the evaluation and pairing process.

Please email the completed application and resume to info@planningmi.org by August 1, 2019

Thank you for your interest. All applicants will be notified of results for the 2019-2020 cycle by mid-August, 2019.
